Dear Jessica,

I'm sorry we did not have an opportunity to meet in person yesterday. However, thanks for calling in by phone! I look forward to joining your efforts, and those of the broader coalition, to stop Councilman Huizar's vending proposal from advancing.

As we discussed, over the coming weeks our team will be working to recruit businesses to participate in our effort to block the blanket legalization of street vending.

Are you available for a call or meeting next Thursday or some time the following week (week of March 23)? I would like to discuss some of the business owners in your district that might be willing to work with us.

Thanks and I look forward to connecting.

Best,
Jessica
